# NOTES TO THE CONSOLIDATED INTERIM FINANCIAL STATEMENTS as of June 30, 2020 (unaudited) – Highlight Event and Entertainment AG, Pratteln

#### 1. GENERAL INFORMATION ON THE GROUP

The parent company of the Group, Highlight Event and Entertainment AG, has its registered office in Netzibodenstrasse 23b, Pratteln/Switzerland.

The Board of Directors of Highlight Event and Entertainment AG authorized the publication of these unaudited, condensed consolidated interim financial statements on August 13, 2020.

#### 2. ACCOUNTING AND VALUATION PRINCIPLES

The unaudited, condensed consolidated interim financial statements for the period from January 1 to June 30, 2020 have been prepared in accordance with the International Accounting Standard on Interim Financial Reporting (IAS 34).

The condensed consolidated interim financial statements do not include all explanations and disclosures required for the financial statements for the full fiscal year and should be read in conjunction with the consolidated financial statements of the company as of December 31, 2019.

The accounting and valuation policies applied when preparing the condensed consolidated interim financial statements remained consistent with those applied in the consolidated financial statements for fiscal year 2019 (see 2019 annual report, notes to the consolidated financial statements, note 4).

The condensed consolidated interim financial statements have been prepared in Swiss francs, which is the functional and reporting currency of the Group's parent company. Amounts are reported in thousands of Swiss francs (TCHF) unless stated otherwise.

The Film and Sports segments are subject to seasonal fluctuations. The Film segment's sales depend on the respective theatrical release dates and the subsequent exploitation chain. The Sports segment generates lower sales in the summer months due to lower advertising income, which depends on broadcasting rights to sporting events. This leads to fluctuations in terms of sales and segment earnings in the guarters of the fiscal year.

When preparing the condensed consolidated interim financial statements, the management is required to make estimates and assumptions that affect the reported assets, liabilities, contingent liabilities and contingent assets at the balance sheet date, as well as income and expenses of the reporting period (see 2019 annual report, notes to the consolidated financial statements, note 5).

## 3. CHANGES TO ACCOUNTING POLICIES

# 3.1 Relevant standards and interpretations applied for the first time

#### **COVID-19-Related Rent Concessions (Amendment to IFRS 16)**

The changes in "COVID-19-Related Rent Concessions (Amendment to IFRS 16)" amend IFRS 16 "Leases" to:

- provide lessees with an exemption from assessing whether a COVID-19-related rent concession is a lease modification;
- require lessees that apply the exemption to account for COVID-19-related rent concessions as if they were not lease modifications;
- require lessees that apply the exemption to disclose that fact; and
- require lessees to apply the exemption retrospectively in accordance with IAS 8, but not require them to restate prior-period figures.

The amendment is effective for annual reporting periods beginning on or after June 1, 2020. Earlier application is permitted, including for interim reports. Having opted for the early application of the amendment, the HLEE Group has recognized TCHF 65 thousand in other operating expenses as negative variable lease payments.

#### 3.2 Relevant standards, revised standards and interpretations published but not yet adopted

The HLEE Group waived the early adoption of the other new and revised standards and interpretations whose adoption is not yet required for Highlight Event and Entertainment AG. The Group considers the impact of these new standards and interpretations on current or future reporting periods and foreseeable future transactions to be immaterial.

#### 4. CHANGES IN THE SCOPE OF CONSOLIDATION

By way of agreement dated and effective January 1, 2020, Highlight Communications AG, Pratteln, acquired 100 % of the shares in Highlight Event AG, Emmen, from Highlight Event and Entertainment AG, Pratteln, for a purchase price of TCHF 9,000. An advance payment for the acquisition in the amount of TCHF 8,000 was made in December 2019. In the previous year, the HLEE Group reported Highlight Event AG in the Event Marketing segment. Following the intragroup disposal, the company is reported in the Sports- and Event-Marketing segment of Highlight Communications AG.

A 3.5 % investment in Prestige Media Group S.A. was acquired on March 4, 2020. The purchase price was TCHF 267. The company performs media services.

The consolidated company Constantin Entertainment Israel Ltd., Tel Aviv, was liquidated on June 25, 2020.

In the first half of 2020, Highlight Communications AG increased its shareholding in Sport1 Medien AG, which was already fully consolidated, from 94.18 % to 94.71 %. This is a transaction between equity providers that reduced equity by TCHF 1,205.

In the first half of 2020, Highlight Event and Entertainment AG increased its shareholding in Highlight Communications AG, which was already fully consolidated, from 45.19 % to 45.49 %. This is a transaction between equity providers that reduced equity by TCHF 793.

#### 5. EXPLANATORY NOTES TO SELECTED ITEMS OF THE BALANCE SHEET AND THE INCOME STATEMENT

#### 5.1 Film assets

As of June 30, 2020, film assets increased by TCHF 11,253 compared with December 31, 2019. Third-party productions declined by TCHF 1,911, while in-house productions rose by a total of TCHF 13,164. This increase was primarily due to the fact that amortization and impairment on film assets was lower than the level of investments.

#### 5.2 Contract assets

The carrying amount of contract assets declined from TCHF 18,626 to TCHF 14,600.

## 5.3 Cash and cash equivalents

Cash and cash equivalents fell from TCHF 55,266 to TCHF 39,033 as of June 30, 2020. Financing activities resulted in a cash inflow of TCHF 1,425, primarily as a result of the repayment of current financial liabilities. The Group's investing activities used cash of TCHF 33,336, which was essentially due to payments for film assets. Operating activities generated a positive cash flow of TCHF 16,742.

### 5.4 Equity

The increase in the equity investments in Sport1 Medien AG from 94.18 % to 94.71 % and Highlight Communications AG from 45.19 % to 45.49 %, which were recognized in equity, led to a reduction in capital reserves of TCHF 261 and a reduction in non-controlling interests of TCHF 740.

The remeasurement of pension obligations led to a TCHF 385 increase in retained earnings as a result of the higher discount rate in particular.

#### 5.5 Lease liabilities

In the first half of 2020, PLAZAMEDIA GmbH concluded several new leases for the expansion of the broadcasting center. The monthly lease installments total TEUR 40. The lease term is 44 or 45 months. In this context, Sport1 Medien AG assumed a directly enforceable guarantee for all liabilities of PLAZAMEDIA GmbH arising from each of these agreements. The guarantees are perpetual and are capped at TEUR 2,357. The leases each contain a purchase option (totalling TEUR 86) to buy back assets after the end of the lease. It is reasonably certain that the options will be exercised.

In addition, PLAZAMEDIA GmbH has concluded a lease for servers and similar equipment. The monthly lease installments total TEUR 19. The lease term is 36 months. A payment of TEUR 450 was made prior to the provision date. This payment was classified as a cash flow from investing activities as it constitutes a payment for the acquisition of the right-of-use asset. This lease contains a purchase option (TEUR 180) to buy back assets after the end of the lease. It is reasonably certain that the option will be exercised.

#### 5.6 Contract liabilities

The carrying amount of contract liabilities declined from TCHF 7,401 to TCHF 5,677.

#### 6.1 Fair value of financial assets and liabilities

The following table shows the allocation of financial assets and liabilities measured at fair value to the three levels of the fair value hierarchy:

AC: Financial assets at amortized cost FVTOCI: Financial assets at fair value through OCI

FVTPL: Financial assets at fair value through profit or loss FLTPL: Financial liabilities at fair value through profit or loss

The financial assets measured at fair value and included in Level 1 are measured using stock market prices.

The derivative financial instruments contained in Level 2 are recognized at current market prices. The discounted cash flow method was used to determine the fair value of Level 2 financial instruments.

The shares in Geenee Inc. assigned to level 3 of the fair value hierarchy had already been written down in full in previous years. There were no indications of a reversal of impairment in the reporting period.

There were no reclassifications between the individual levels of the fair value hierarchy. They are reclassified quarterly in each reporting period if circumstances requiring a different classification arise.

# 6.2 Financial assets and liabilities at amortized cost

Given the short remaining term, the carrying amounts of current financial receivables and liabilities as of the end of the reporting period are approximately the fair value. Non-current receivables are discounted according to their remaining term. Their carrying amounts are therefore also approximately their fair value.

# 6.3 Fair value of non-financial assets and liabilities

As of June 30, 2020 and December 31, 2019, there were no non-financial assets or liabilities measured at fair value.
